Affairs Sector, Regione Liguria

# Liguria in Europe

Regione Liguria, through its office located in Brussels, aims at bringing the region closer to European institutions and vice versa.

# Our Office

The goal of the **Liguria Brussels Office** is to help enterprises, schools, universities, and associations to participate in European initiatives and programs (such as **Erasmus+**) and thus get funds for their activities.

# Our activities

## Website

We developed a web platform to gather and exchange information about the EU initiatives.

# Europe

- ▶ The Brussels office manages the relations with European officer and politicians to promote the interests of the territory.

## Community

The Brussels Office involves the local community in the European programs through exchange of knowledge and the organization of training events.

# The Europea Union Programs

Funding the Member States policies

# EU funding

The **European Union** contributes to the development of the Member States through its programs.

The **EU programs** fund several actions about several issues such as Climate Change, Digitalization, Research, Education, Art & Culture.

# Erasmus+

Erasmus+ is the program dedicated to the education sector in Europe.

It funds students' mobility in Europe and in the world and other initiatives linked to the **education and training** of young and adult people.
